

# Beat the Street Leicester Team FAQs

## How do I set up a team?

Setting up a team is simple and only takes a few minutes, just email [team.leicester@beatthestreet.me](mailto:team.leicester@beatthestreet.me) with the number of your team and a designated team leader and you will be added to the competition. There is no cost to enter, Beat the Street is completely free.

## Is there a limit to the number of players in my team?

You are allowed to have as many team members as you would like. However, you must have at least 12 team members by the 30 June to be eligible for a leaderboard prize. If you don't reach that number, you'll move to a small teams leaderboard to compete for a trophy.

## How does the game work?

Sensors called Beat Boxes have been placed across Leicester. To start playing, hover a Beat the Street card against a Beat Box until it beeps and flashes, then walk or cycle to the next Beat Box within an hour and do it again – you will have scored 10 points. Each additional Box visited earns you another 10 points for you and your team!

## Where can you pick up cards and maps?

Cards and maps will be available to collect from distribution points across Leicester from 20 May. Visit the website for a full list. Remember, cards must be registered online to be able to join your team and be in with a chance to win prizes.
