

REACHING PEOPLE NEWSLETTER

CEO Update By Jenny Hand

Dear Members

It was great to start this year with a lively

RP members meeting on advice, information and support services.

There were several immediate actions including to share the information you will find in this newsletter about the **City council anti-poverty strategy** workshops and to try and get RP members at each one so we can feedback to each other and also to encourage comments into their dialogue on reducing poverty.

We are interested in creating space with the local authority **on systems change around the referral to the range of services we provide and the information, advice and guidance around these referrals to ensure smoother and realistic support to**

linked to the City centre homeless strategy and Give Leicester. It would be worth you checking your entry as our quick look here spotted quite a few outdated entries.

Trying to get **one comprehensive directory** rather than segmented information might be part of our anti-poverty system change work?

Strategic Commissioning & the Voluntary & Community Sector

 Leicester City Council

I did have a useful discussion with George Ballentyne who is working on a City Council **strategy for the VCSE sector**. He told us that the Council brief for the
