Moneywise plus has continued through out the lockdown. Our team of advisers have supported clients with phone and online IT assistance. They have also been promoting the project in community venues. We have designed special leaflets to target people who have lost their jobs as a result of the Covid19 lockdown. Do please pass these leaflets onto people you work with who are looking to move into work or training and could benefit from the specialist digital and financial support the

team offer. **If you need copies of the leaflet to circulate please contact our Moneywise plus administrator. There are also cloth carrier Bags available for distribution. To get some please contact:**

Jane. jane@reachingpeople.co.uk If you would like to arrange a moneywise plus session for your staff or volunteer team to explain the project in more detail please contact the project manager Sangeeta Patel – Sangeeta@reachingpeople.co.uk
