THE FINALISTS

Contribution to the Community

Reaching People

REACHING People is a consortium of membership charities who together to meet the needs of some of the most disadvantaged people living locally. Their specialist areas include housing and homelessness, equality, health and social care, education, sport, advice, training and information services. Together they support people of all ages including children and young people. By working together they

enjoy a collaborative voice and can influence and lead strategic discussions to create lasting change.

One of Reaching People's biggest projects is Moneywise Plus which over the past two years has provided digital and financial support to 769 unwaged and unemployed people in Leicestershire helping them move closer towards employment.

Leadership Survey

We also want to thank all who completed the survey. If you have not been able to but yet want to participate, you can by clicking on the link as we have extended the deadline to 3rd May 2019
