

REACHING PEOPLE NEWSLETTER

CEO Update By Jenny Hand

Hi to you all and I hope you have had a very good summer with lots of rest. Its been a busy time for us all with progress on many fronts, but sadly not all of them.

- Our **leadership** proposal is now with the national lottery community fund for consideration of the delivery stage funding. Our delivery will be largely in year 1 with continuation over a 3 year period to really embed leadership and leadership training skills here in Leicestershire.

In the meantime we are continuing to work on the developments and outcomes of the research. We have a steering group for leadership including Andrew Bacon, Bushra Ali, Rajinder Bhui, David, Mark grant for RP and action homeless.

deadline of October for the next stage proposal.

Over the summer we have help an event targeting people under 25 to ensure we captured their views for Leicester in 10 years time. We have also set up a visit to Bristol enterprise and partnership and have a visit to Leicester from Bradford.

We are opening up the opportunity to members and others to join **2 events on systems change** to help take forward our vision for the future. The first of these events is for a small group of 12 to design a system change model and then for this to be refined and check this out this with a larger open group.

- The small group places will be filled by responses to this email. The second session needs booking on Eventbrite at: <https://www.eventbrite.co.uk/e/rp-event-for-lap-theory-of-change-session-2-tickets-71043684573>
